2021

At B Cellars we are proud to continue in the centuries-old art of blending in the cellar to craft wines of balance and distinction. We have the privilege to work with some of the most prized vineyard land in all of the wine growing world. This wine showcases the best of these vineyards.

Winemaker's Notes

This dark and brooding wine opens with aromas of cinnamon and clove, followed by notes of blackberry and boysenberry. The palate is expansive with notes of dried currants, bramble berry, slate, and dark chocolate. Centerline tannins provide structure throughout, while bright acidity leaves you wanting more.

Vintage Notes

The 2021 vintage will be remembered for low yields with intensely-flavored, small-sized berries and a smooth and uneventful harvest season. This years growing season can best be described as a cold start to a warm fast finish. The season started off with very little rain, leading to the 2nd year of drought conditions. Harvest began early with white wine grapes picked in August and some reds started being picked in September. The drought of 2021 resulted in a more natural load on the vines, requiring less pruning and dropping of fruit. The resulting grapes are packed full of flavor. The 2021 vintage will be marked with outstanding and intense flavor profiles.

Pairing Insights

Chef Derrick is saving this Cabernet for a special treat around the holidays. A large prime rib paired with scalloped potatoes and brussel sprouts with bacon. A hearty meal, made even more complete with a bold blend rooted in Cabernet Sauvignon to help cut through the richness of the dish.
