

B CELLARS  
NOTES FROM THE CELLAR

*Oakville*  
*Cabernet Sauvignon*

100% Cabernet Sauvignon

2021

We produce wines from specific American Viticultural Areas (AVA) to celebrate the unique terroir of the Napa Valley. As our home since 2014, Oakville holds a special place in our heart. This two mile wide swath of land contains the greatest concentration of preeminent producers of Cabernet Sauvignon in Napa Valley. The 2021 vintage is a blend of four different Oakville vineyards. While each possess their own unique terroir, they also each showcase a set of flavors, textures, and aromas that are unmistakably Oakville.

*Winemaker's Notes*

The nose shows lavish aromatics of black plum and red raspberry, with undertones of chocolate covered orange peels, clove, and star anise. Flavors of blackberry, cherry tart, pomegranate, black olive and warm barrel spice highlight great purity of fruit. Grippy textured tannins showcase the depth and power that is synonymous with Oakville.

## *Vintage Notes*

The 2021 vintage will be remembered for low yields with intensely-flavored, small-sized berries and a smooth and uneventful harvest season. This years growing season can best be described as a cold start to a warm fast finish. The season started off with very little rain, leading to the 2nd year of drought conditions. Harvest began early with white wine grapes picked in August and some reds started being picked in September. The drought of 2021 resulted in a more natural load on the vines, requiring less pruning and dropping of fruit. The resulting grapes are packed full of flavor. The 2021 vintage will be marked with outstanding and intense flavor profiles.

## *Pairing Insights*

When pairing with Cabernet Sauvignon you can never go wrong with beef according to Chef Derick. His favorite pairing with the Oakville Cabernet is Beef Sliders with Worcestershire Onions and Cabernet Sauvignon Aioli.
